CANTEEN
We are providing a wonderful service to families with our canteen opening on Thursdays and Fridays. Currently, we are struggling to have volunteers to help Kylie Whiting, also a volunteer, on these days. If we don’t have enough volunteer support for the canteen, we will be forced to reduce the opening of the canteen back to 1 day per week. This is not the direction we want to take as there is a good number of families placing lunch orders on these days and many children purchasing additional food items both at recess and lunch times. Please consider helping out Kylie as she probably spends 3 days per week ordering, preparing, baking, making lunches and cleaning for our Lake Cathie children. This is an enormous contribution to our school as a volunteer and the Spirit she does it with is amazing.

FORMAL ASSEMBLIES
Formal Assemblies will occur during the year where students from each class will present a class item, something they have been preparing during class time. Formal awards and Captain’s reports will be presented during the assembly. We would like to extend a warm welcome to families, not only from the item presenting class, to visit the school and join in the celebrations of our formal assemblies. 5/6 M will present our first class item at tomorrow’s first Formal assembly. Thanks to Mr Pringle and Mrs McCleary.

TRIVIA NIGHT
Our active P&C is hosting a Trivia Night at school on Saturday 13 June. It is a Black and White themed event and we are already receiving loads of support from our local businesses. This is our major fundraising event of the year! Get your table of 10 together for a fun night out and if you happen to know some answers to some trivia questions, consider it a bonus. We want to have a lot of laughter and enjoyment at
this event so come with our Lake Cathie spirit and meet all of our parents and friends of Lake Cathie Public School. Call Kylee in the office for details or to book your table. Great prizes organised already and if you have something to donate for the raffles and auctions it would be greatly appreciated.

DANCE FESTIVAL 2015

Students and teachers are working very hard to prepare for this year’s Dance Festival, being hosted at Melville High School, Kempsey. As we set up dance as an opportunity at our school, we are asking for financial support for an ongoing wardrobe development program. Each year we will order costumes for the use of all of our students who participate in this wonderful opportunity. Costuming for dance significantly enhances the children’s enthusiasm and pride in their dancing. To help the school purchase fabulous costumes and also storage containers and hanging space, we are asking for each dance student’s family to contribute a $20.00 levy for the year. This will go partly towards the costuming costs and the school will contribute the rest. Thank you for your ongoing support of the great programs at Lake Cathie Public School.

DRUG EDUCATION

As part of the School’s K-6 Health and Personal Development Programs, Mrs Egan will be teaching a series of lessons from the NSW Syllabus on Drug Education. Lessons come straight from Department of Education resources and are designed to inform students about the correct and incorrect use of prescription medicines and also to highlight the dangers, physically and mentally of illegal substances. Lessons taught by Mrs Egan will also be enhanced by our school’s participation in Life Education in Week 1, Term 3 when Healthy Harold and the enormous Life Ed. van comes to visit.

ROADWORKS

Roundabout works will continue for the next few months as well as some rectification work outside the school entrance. There will be traffic control officers in place during these next few months as significant work takes place. We look forward to the completion of the roundabout and commencement of the collector road, Wallum Drive, that will see our correct street frontage in operation, perhaps ready early 2016.

ROBOTICS

Our Robotics team from 5/6M will travel to Camden Haven High School next Thursday, 28 May to compete in the local Robotics challenge. Our Robotics team members have been developing their skills, with the aid of a mentor student from Camden Haven High School, ready to compete with confidence. We thank Mrs McCleary and Mr Pringle for their leadership in this enrichment program and wish the children well next Thursday.

HVCs ENRICHMENT BIG BAND CAMP

Next week will see students from several of the Hastings Valley Community of Schools, participate in a 3 day ‘In-School’ band camp hosted at our school. They will be preparing for a performance at the Big Band Blast festival over the weekend of 29-31 May. Bands from all over Australia will perform free concerts in the CBD of Port Macquarie. Mr Garven will also perform on Saturday night at Panthers in the Jordan Jive Jazz Band. The HVCS Big Band will also perform at the Ceremony of Excellence awards night at the Glasshouse on Tuesday 28 July where some of our Lake Cathie students will receive Excellence Awards. Details to come about the Ceremony of Excellence.

STUDENT BANKING

We had a visit from “Cred” from the Commonwealth Bank on Tuesday this week where our students were introduced to the idea of saving. Student banking is in full swing here at Lake Cathie Public School, with coordinator Lynn-Marie Henderson, processing bankbooks on Fridays. If you would like further information about Student Banking, please call Kylee in the office and she can send some information home to you.
**NAPLAN AND ICAS TESTS**

Assessments for this year’s NAPLAN have now finished with our students concentrating hard and trying their best. Results are usually sent to school in mid to late Term 3 and we will then send NAPLAN reports home with students. International Competitions and Assessments for Schools (ICAS) tests have started this year with students sitting the Digital Technologies test on Tuesday this week. These competitions are sat by students across Australia and South East Asia and are another external measure of student performance. These are difficult competitions and we wish our students well. The Science competition will held on Wednesday 3 June.

**CROSS COUNTRY**

Good luck to all of our runners heading up to Kempsey next Friday for the Lower North Coast Cross Country Carnival. Run with determination and spirit!

**WINTER UNIFORMS**

Uniforms are available for purchase from the school on Thursday afternoons 2.30pm - 3.00pm and Friday mornings 8.30am – 9.00am.

Winter uniforms now available to purchase:

- Boys & girls long pants $24.00
- Unisex sports pants (for Friday sport) $30.00
- Jacket $32.00

**BOOKCLUB**

Bookclub orders are due by Thursday 4 June. If you need any assistance with online ordering please let either Mrs Cassidy or Kylee know.

**SPECIAL MEAL DEAL**

Friday 12 June the canteen will be having a special meal deal. Nachos and a drink for $5.00. Order forms will be sent home for children to preorder.
