KG FORMAL ASSEMBLY TOMORROW

KG will present a special item at tomorrow’s second Formal assembly, thanks to Ms Gray and Mrs McNiff. The assembly starts at 2pm. We would like to extend a warm welcome to all families to join in the celebrations of our formal assemblies.

VOLUNTEER READING TUTORS

We have planned a Volunteer Reading Tutor’s training session on Tuesday 23 June in our Library. The session will start at 11.30am. If you are interested in becoming a Volunteer Reading Tutor for about 45 minutes per week, please let us know via the office.

SCHOOL LEADERS DAY

Our Year 6 student leaders will travel to Camden Haven High School next Wednesday 10 June to participate in leadership activities with student leaders from all of the local primary schools in the Camden Haven High School drawing area. Not only is this a valuable learning experience for our leaders, it is also one of many specific transition activities available for our students as they move from primary school to high school.

ATHLETICS CARNIVAL

Our K-6 Athletics Carnival will be held at Laurieton Oval on Wednesday 17 June. We would love parents and grandparents to come as supportive spectators and also, if interested, as helpers. Notes and travel arrangements will be coming home this week.

A canteen will be available at the Athletics Carnival.

DANCE FESTIVAL

We’re on track for two memorable performances at the Dance Festival at Melville High School on Thursday 18 June. Specific details will continue to be sent home as we near the big performance day. Thanks to Mrs Egan, Mr Pringle and Mrs McCleary for preparing the dance groups so well. We will also see the Dance Group Performances at school next term during Education Week.

The school has a limited number of tickets available for the evening performance of the Dance Festival on Thursday 18 June. These tickets will be sold on a first come basis.

Price:  $7.00 each
        $25.00 for a Family (2 adults and 2 children)

LIFE EDUCATION VAN – HAROLD IS COMING!

We will be hosting the Life Education Van on Tuesday 14 and Wednesday 15 July (First week next term). This is a valuable program that directly supports our school based programs on Health and Personal Development. Students will visit Harold and Leanne Goggin in the Life Ed Van for a learning experience that is high quality. Students will also receive workbooks that will be used back in class to support the learning started in the van with Harold. Life Education is a not-for-profit organisation that has a long history of teaching children about themselves, healthy lifestyles and health choices. The cost per student of $10.00 is subsidised due to the ongoing community support of this valuable initiative. To support Life Education, Leanne and Harold will also have a number of items for the children to purchase to remember their Life Ed experience. Details to come.

BAND AND BAND CAMP

During next week, students in Year 4-6 will have the opportunity to try out instruments they may wish to learn as members of the school band. It is hoped that instruments will arrive shortly and practice can begin.

We are hosting a Band Camp here at Lake Cathie Public School from Wednesday 15 – Friday 17 July. Students from Kendall, Laurieton, North Haven and Lake Cathie Public Schools as well as Camden Haven High School are invited. We anticipate about 90-100 students attending. The cost for the Camp is $150 which covers all music, tutoring staff costs, food and all associated activities. If you are interested in your child attending this camp as an initial boost to their learning, information and permission notes are available at the office.

STUDENT REPORTS

Staff are busy finalising assessments and writing reports to outline student progress and achievements during Semester One. Reports will be ready to send home on Wednesday 24 June.

ENROLMENTS

We are continuing to receive enrolments of new students to our school. This is fantastic as our reputation within the wider community is very strong! We have increased enrolments by 10 since the beginning of the year. Depending on the age of each enrolment, we place new children in the appropriate class. Our numbers in 2/3/4J with Miss Jesser are rising quickly as many of these new enrolments are in Year 2, 3 and 4. Staff are looking at the best educational direction for our school based on the needs of each and every one of our students. We will make minor modifications to our class structures to continue to cater for our students. I will call a number of parents in the coming days to discuss possible adjustments to classes. If changes are necessary we will look at these corresponding with the beginning of Term 3.

ROBOTICS TEAM WIN

Congratulations to our school’s robotics team in their recent win at the Regional Robotics Team Challenge. Well done to our students from 5/6M and to Mrs McCleary and Mr Pringle for all their hard work in preparation for this competition. Thanks also to Toby Buckley, senior student from Camden Haven High School, for his support of our team. The robotics team are now eligible to travel to Sydney for the state final later this year. The robotics challenges will get much harder in Sydney but will be great fun.
CWA PRESENTATION

On Wednesday Jemma, Mahali, Hannah, Georgia, Phoebe, Nikya, Melodie and Amber represented our school at the Country Women’s Association Italy presentation. Each year the Country Women’s Association select a country for primary children to study. This year it was Italy. The girls made posters and presented a speech to the association. Prizes were given for the best posters. 1st place Hannah Peck and Phoebe Harrison, 2nd place was Jemma Joyce and 3rd place was awarded to Melodie Cicak and Mahali Pemberton.

LNC CROSS COUNTRY

Last Friday we had eleven competitors compete in the Lower North Coast PSSA Cross Country Carnival. The event was held at Kempsey Racecourse and it proved to be a hard course. All children who attended showed the Lake Cathie spirit with their behaviour and efforts. Congratulations to all who attended.
