TRIVIA NIGHT

What a great night for our School. After being worried about numbers, we ended up with 170 people who seemed to really enjoy themselves. A big thank you to our P&C for organising and running the night including; Susie Storm, Claire and Peter Briggs, Alison Mance, Kylie and Michael Whiting, Lynn Marie and Craig Henderson as well as Kylee Hughes, our fabulous Office Manager. Thanks also to our active staff for their hard work in presenting the hall with student work in the Black and White theme. Please support the local businesses that so generously supported our fundraising efforts. The P&C have raised $6000.00 through the Trivia Night. Well done! Once again, we really appreciate the number of parents and community members that joined in the fun and frivolities of the night.

DANCE FESTIVAL

We are really looking forward to today and tonight’s performances of our 2 dance groups. Thanks to all of our very supportive parents who have assisted in costuming, our dance levy and being so positive about this new venture. Mrs Egan, Mrs Mc Cleary, Mrs Haste and Mr Pringle have worked many extra hours with our children to make this a huge success.

CLASS STRUCTURE

With our continued enrolments our staff have made a decision to alter our class formations. As the majority of new enrolments have been in Yr 2, 3 and 4, our 2/3/4J class is becoming larger, close to 30. We also anticipate further enrolments throughout the year. To enable us to cater for increasing enrolments and also to keep in mind the needs of our students, we are moving our Yr 4 students in with Mrs Mc Cleary to form a 4/5/6M class. This will see 23 students...
in 4/5/6M and 22 in 2/3J. We believe this will enable us to continue to provide as much individualised attention as possible. Yr 4 will take part in selected lessons each day this term to help them prepare for the permanent change next term.

**LIFE EDUCATION VAN**

Tomorrow we will hand out Life Education notes outlining the dates and information for Healthy Harold’s visit during the first week back next term. The big Life Ed Van will be parked in our school over the holidays ready for class visits when we return from holidays. Leanne Goggin will present fantastic lessons in the Van to each of our classes. Life Education significantly supports each school’s Drug Education programs and is great value to our students. Items relating to Harold and Life Education can be purchased from Leanne but must be pre-ordered. These sales help to fundraise for Life Education and in turn, reducing the costs of the visits to students.

**READING 4 LIFE VOLUNTEER TUTOR TRAINING**

We still have a few places left for free training if you are interested in volunteering 40-45 minutes one day per week to assist one of our kids with their reading. Next Tuesday 23 June from 11.00am -2.30pm there is a tutor trainer coming up from Sydney to run the training. All materials and equipment are supplied for each volunteer tutor.

**LEADERS DAY AT CAMDEN HAVEN HIGH SCHOOL**

Last Wednesday our Yr 6 captains and prefects, Melodie, Phoebe, Hayne and Sam went to Camden Haven High School for a day of team building fun where they mixed with all of the student leaders from all of the local primary schools in the Camden Haven area. They came away with huge smiles as the day was fun and enjoyable. This is another way our high schools provide transition for our Yr 6 students who are very soon, heading off to high school.

**BAND NEWS**

We have conducted instrument tryouts for our Yr 4, 5 and 6 students interested in starting next term in our Band Program. We have assessed mouth/teeth shape, finger/arm length, physical size and strength and considered personalities for particular instruments. We are still awaiting a delivery of instruments that the school will hire for two years to hire to our keen musicians. We have also been fortunate to receive some instruments, no longer in use, from South West Rocks Public School to help us in the development of our band. Band fees and instrument hire is very reasonable, well below what would be charged privately for music tuition and instrument leasing. Students in Yr 3 will be invited to try out for band late in term 4 ready for start first term, 2016. Behaviour, positive attitude and a commitment to learning are considered prerequisites for entry into band.

**BAND CAMP**

We are hosting an In-School Band Camp for students from Kendall, Laurieton, North Haven and Lake Cathie Public Schools from Wednesday 15 – Friday 17 July (week 1 next term). If you would like your child to get a big “kick-start” into band this is a great opportunity. Band Camp will cost $150.00 which includes all meals, morning tea, lunch, afternoon tea, drinks etc, music, extra tutoring staff and helping to cover the hire of extra equipment. There will be approximately 80-100 musicians attending covering beginner players to more advanced players. There will be three bands including beginner and advanced concert bands and a big band. We will run some fun afternoon activities at the end of each day to build team work and have a lot of fun as well as a camp concert on the Friday afternoon.

**BAND CAMP CANTEEN VOLUNTEERS**

We are providing the catering for the camp as a fundraising activity for the P&C. We need 3 extra volunteers, each day, to assist Kylie Whiting in preparing meals for the large numbers of children coming as well as regular lunches on Thursday and Friday. Please call Kylee in the office on 6584 8060 to volunteer some time. Thanks!
UNIFORM SHOP TIMES

Next term our uniform shop opening times will be;

RAINBOW BEACH PLAYGROUND UPGRADE OPENING

The mayor Peter Besseling will be opening the new Rainbow Beach Playground at 11am on Wednesday 1 July. The changes include a new double embankment slide, 4 bay swings set, timber balance beams and steppers, sandpit, welcoming entry signage, artwork, water bubbler and upgraded space net. Children from the school contributed to the new entry path with handprints and coloured stones. Come along to test out the new equipment. There will also be entertainment, free sausages, giant chess and checkers.

ATHLETICS CARNIVAL

Due to inclement weather our Athletics Carnival was postponed this week. It will now be held on Wednesday 24 June at Laurieton Oval. We would love to see parents and grandparents come to support the students in their athletic endeavours both as spectators and, if possible as helpers. A canteen will be available on the day, no preorders necessary.

Please ensure your child has returned the permission note and payment to attend the carnival. No further note required as both dates were covered on the permission note.

Are you interested in retraining or taking those first steps back into employment?
Perhaps you are not feeling confident about that first step or that you need to improve your skills first.
TAFE Port Macquarie offers pre-vocational pathway courses to support people taking that step.

- Certificate II course (equivalent to Year 10) that provides basic computer and retail units plus it builds on your reading, writing and spoken skills.
- Tertiary Preparation Certificate (equivalent to Year 12) that provides an ATR and pathway to university

For any enquiries please call Leonie Nilson at Port Macquarie TAFE on 6581 6224
